

# Microsoft 365 Business Voice

## The most productive phone system built into Microsoft Teams

Are you ready to modernize your communications? Let us help you with a solution that is made for businesses like yours.

Business Voice is a cloud-based phone system in Microsoft Teams. Together, they deliver an all-in-one communication solution that brings together calling, chat, and meetings into a single app.

### Work from anywhere, on any device

One phone number across  
your computer, mobile, and  
desk phone

### Secure, reliable, & rich calling

Cloud calling features you  
can count on plus build-in  
redundancy & load balancing

### Streamline management

Save time & money with one  
app, from one provider, with  
one low-price.

We are here to help you transition to a modern voice solution. Give us a call.
